AgForce Training

MARK TOOLE

TRAINER
AGFORCE TRAINING

Mark is an experienced vocational trainer and assessor, Learning and Development professional, workplace safety specialist and pastoral care practitioner based in Manunda, Queensland. His background spans agricultural operations, high-risk work, plant and machinery training, motorcycle rider development, corporate WHS and youth mentoring.

He brings extensive practical training experience to AgForce Training, with a strong focus on competency development, risk management and workplace relevance. Mark is also passionate about mentoring, pastoral support and helping people build confidence, capability and sound decision-making skills.

INFLUENTIAL WORK

- Vocational & High-Risk Training: Delivers training and assessment across plant, machinery and high-risk work, with a strong focus on safe operation, competency and compliance with workplace health and safety requirements.
- Motorcycle & Rider Development: Extensive experience delivering motorcycle rider training, licensing programs, practical coaching and rider development, with an emphasis on risk management, judgement and safe vehicle operation.
- Corporate L&D & Safety Leadership: Designed corporate WHS training, developed Train-the-Trainer programs and implemented driver-development courses for more than 200 businesses.
- Agricultural Management: Brings early leadership and operational experience overseeing agricultural activities, machinery and personnel.
- Youth Mentoring & Pastoral Care: Provides mentoring, pastoral support and decision-making guidance to young people, with an ongoing interest in wellbeing, resilience and community support.
- Community Education: Develops and facilitates community engagement strategies and group-learning approaches to support diverse learner needs.
