AgForce Training

MATT BROWN

TRAINER
AGFORCE TRAINING

Matt is an experienced agricultural consultant, trainer, and beef extension expert based in Alton Downs, Queensland. He's also the Director of Brown Cattle & Country Consultants and is a partner in a Wagyu cattle breeding business.

With a robust background in group facilitation, adult learning, and extensive beef cattle production, he delivers specialized training and manages impactful agricultural sustainability projects.

INFLUENTIAL WORK

- Agricultural Consulting & Training: Operates as a contract trainer, delivering nationally accredited qualifications across Australia.
- Extension Leadership: Led the Grazing Resilience and Sustainable Solutions (GRASS) program and coordinated the Grazing BMP program during his tenure as a Senior Beef Extension Officer with the Department of Agriculture and Fisheries (DAF) in Rockhampton
- Stakeholder Facilitation: Facilitated pivotal industry workshops, and research for the Department of Environment and Science.
- Sustainability Initiatives: Partnered with Ruminati on the McDonald's-funded Townsville to Tassie Project to improve carbon and methane efficiency in beef supply chains.
- Industry Recognition: Awarded the Best Agricultural Consultancy/Industry Training Excellence Award by APAC Insider in 2026

QUALIFICATIONS

- Lead Auditor Management Systems from Auditor Training Online
- HACCP Principles and Applications from QMS Audit Training
- Certificate IV in Training and Assessment from Blue Print Career Development
- Bachelor of Environmental Management (Rural Systems) from The University of Queensland, Gatton Campus
- Associate Diploma of Applied Science (Beef Cattle Production) from Emerald Agricultural College
