

SCOTT ROBINSON

**DIRECTOR
AGFORCE TRAINING**

Scott has over 25 years of experience in the agriculture and meat processing industry, specialising in hands-on roles such as meat inspection, slaughtering, animal welfare, and quality assurance. At Agforce Training he plays a critical role, bringing a wealth of knowledge in lean manufacturing, stock handling, and training management.

Before joining the Response Group, Scott was a TAFE manager, where he built strong ties with MINTRAC, delivering the Australian Animal Welfare Officer Skill Set and conducted audits nationwide. He consults for multiple organisations, helping to establish and enhance training systems, securing training quotes, and fostering a culture of continuous improvement

INFLUENTIAL WORK

- Led a national project to reduce laceration and soft tissue injuries in the Australian meat processing industry through knife sharpening training and assessment.
- Assessed the learning and development activities of over 50 meat processing plants nationwide to identify major skills gaps and options to improve effectiveness of functions.
- Partnered with a multi-national processing plant to assess their operational processes and introduce advanced boning techniques that significantly increased yield improvement.
- Provided expert animal welfare consultancy and training and development advice to MINTRAC from inception for over 17 years.

QUALIFICATIONS

- GradDipVET, Latrobe University
- DipBus, Chisholm Institute
- GradCertLdshp, Victoria University
- Cert II-IV Meat Processing, Response Learning
- Various animal welfare and food safety courses
